Foundation year	2000	Vineyard	9 ha.
Annual production	13.000 l.	Villages	Gratallops and Torroja

The Cal Batllet winery was created in the year 2000 by restoring the old family winery situated in Gratallops. Its production comes exclusively from the growing of the family-owned vineyards, some as much as 100 years old, cultivated on hillsides with slate soil placed in Gratallops and Torroja del Priorat. The grape varieties grown here are the local Carinyena and Garnatxa in reds mainly, and the old Escanyavella in whites. All the wines are classified under the distinctives "Vi de VILA" and "VI de PARATGE" from the wines pyramid classification regulated by de DOQ PRIORAT, clearly committed with a philosophy of terroir wines, expressing all the personality from each village where we have our roots: Gratallops and Torroja.
