RED WINE DOC DOURO

GRAPE VARIETIES

100 % Touriga Nacional

ORIGIN

This wine is made with grapes located about 450m altitude in the region of Meda. East exposition and quite schistose soil.

VINIFICATION

Grapes are harvested, to 20 Kg boxes, at its optimal ripeness intending to show a vigorous maturity, leading to higher aromatic and polyphenolic concentrations. After fully destemmed and crushed, grapes are fermented in Inox vat, allowing quality constituents presents in the ripe grapes film, softly pass to the wine.

AGEING

12 Months in french oak barrels

TASTING NOTES

Elegant and velvety, with notes of ripe berries, dark chocolate and a hint of spice.
