

TECHNICAL SHEET VINTAGE 2021

After having "survived" the frost and the mildew, the few rainfalls at the beginning of September had a weak impact on the quality of the grapes but caused at DESMIRAIL, the beginning of the harvest of the 2021 vintage.

Indeed it was absolutely necessary to avoid a degradation of the state of the berries.

The harvest started on Monday September 27th, with the picking of the first Merlot grapes and the harvest was carried out with great speed, without any downtime, to end on October 11th under a beautiful sunny day.

*At the end of the day, our sorting system, based on the ripeness of the berries, as well as the competence of the team and the measured extraction of the tannins, will allow us to present a beautiful **DESMIRAIL 2021** with a very diversified blend of Cabernet Sauvignon, Cabernet Franc, Merlot and Petit Verdot.*

HARVEST

From September 27th
to October 11th, 2021

DEGREE

13%

BLEND

Cabernet Sauvignon : 45%
Merlot : 45%
Petit Verdot : 5%
